Office Policies:

- Dr. Friedman is a private practitioner and does not accept insurance. However, we are happy to provide you with an invoice including diagnosis codes for you to submit to your insurance.
- Dr. Friedman does not replace your primary care physician. You will need to continue to be followed by your personal physician.
- Dr. Friedman may need to refer you to a specialist (e.g.: OB/GYN, Urologist, or Primary Care Physician) if you are to receive Hormone Replacement Therapy.
- In many cases, the cost of office visits and tests are not covered by insurance. Some insurance companies regard many of our services as “elective prevention and well-being services” outside the range of their usual disease treatment coverage.
- Insurance companies generally do not reimburse patients for the purchase of supplements.
- We are not a Medicare provider. Medicare does not reimburse our services, including tests and diagnostics.
- All payments are due from you at the time services are rendered.
- Our office accepts VISA/Mastercard/Discover, Personal Checks and Cash.
- Dr. Friedman’s office will not bill insurance payors. However we will provide you with an itemized statement for you to present to your insurance carrier if you wish.
- In addition to the office visit fee, you will also be charged for specific services such as blood, urine, or saliva tests. You are invited to ask our staff about specific charges before the service is provided.
- A cancellation fee of \$ 100.00 will be charged to your credit card if you do not give us a 24-hour cancellation notice, or if you do not show up for your scheduled appointment.
